

# Rural Vistas of Lewis County 2008 Photo Calendar

**Now Available!**

The 12-month calendar features photos of rural Lewis County, taken by residents throughout the County. Each monthly two-page spread opens to 11 in. x 17 in., with a full-color photo on the top panel, and easy-to-read monthly dates on the lower panel.

Filled with glorious scenes from rural Lewis County, this is a calendar you will enjoy looking at every day in 2008! Priced at just \$10/each, these calendars make great gifts for family, friends, employees, clients, and co-workers. If you would like to sell the calendars in your gift shop or store, we offer a 30% discount for purchases of 20 or more calendars at one time.

Proceeds from calendar sales stay right here in Lewis County to help fund charitable and educational programs of the nonprofit Rural Lewis County Community Development Organization (RLCCDO). RLCCDO programs in 2008 will include the Rural Community Guide (which will be distributed for free to residents and online) and developing initiatives such as non-traditional scholarships, mini-grants, training programs, and more.

Enjoy viewing and sharing the beauty of rural Lewis County with this unique calendar, and do good for the community too!
